REMARKS

This response is intended as a full and complete response to the Advisory Action dated March 4, 2004. In view of the amendments and the following discussion, the Applicants believe that all claims are in allowable form.

The Applicants have cancelled claims 27-28 without prejudice to expedite the issuance of the allowed subject matter. The Applicants reserve the right to file continuation/divisional application(s) to prosecution the cancelled subject matter. Claims 4-10 and 13-26 have been allowed by the Examiner.

Thus, the Applicant submits that all claims now pending are in condition for allowance. Accordingly, both reconsideration of this application and its swift passage to issuance are earnestly solicited.

If, however, the Examiner believes that any unresolved issues still exist, it is requested that the Examiner telephone Mr. Keith Taboada at (732) 530-9404 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

Mar 15, 2004
